Principal's Message

As we begin June, and with only four weeks remaining in the school year, it is a good time to reflect on the past nine months. In spite of the many twists, turns and challenges throughout this school year, presented by the pandemic, we have all learned to adapt quite quickly and quite nicely. These unprecedented times have shown us how important it is to remain positive and flexible.

We truly appreciate our extremely dedicated and committed staff who make SPC all that it is. I am thankful for having the privilege to work with an excellent team of teachers and support staff. Their dedication and commitment to our students and families is to be admired. As well, the partnership between school, parent, and student is paramount. I would like to take this opportunity to personally thank each and every one of our parents for allowing us the privilege of working with your children and for your ongoing commitment to supporting your children both during on-line learning and inschool learning. On behalf of the staff and students I would like to extend our gratitude to the members of our School Council and Society groups. The time and energy you continued to dedicate, in spite of Covid, in support of our various programs is much appreciated. As a result of the funds secured through the work of Society, educational and non-curricular activities are enhanced; thus, the lives of all our students are enriched.

For those students and families moving on to other schools, we will miss you. For families that are registered to return for the next school year, we look forward to continuing to be a part of your child's educational journey and will see you in September. We congratulate all our students on the successful completion of their school year, but particularly our Grade 9 students who will be moving on to high school. We wish you best of luck as you venture forth into this new phase of your life. As our grade nine students leave to take on new challenges and begin the next leg of their journey I know that each student will take with them the skills and openmindedness to ensure their continued success. Your children inspire us as educators each and every day. The memories created in elementary and junior high school are ones that will last a lifetime!

Let's all encourage students to work hard over this last month, and maintain a focus on learning despite all of the other great things that are going on. Summer vacation will be here before we know it, and I hope that all students will be able to look back on the year feeling proud of what they accomplished.

This is my last principal message before my retirement and I would like to take this opportunity to thank the students, staff and families for an outstanding end to my career. My six years as principal of this amazing school will be forever a part of the cherished memories I have of my thirty-seven-year career with Parkland School Division. I will miss all of you! Thank you for the many kind words and well wishes I received upon announcing my retirement. I plan to fill my days in retirement spending time with family including my two beautiful grandchildren, golfing, enjoying doing my crafting in the middle of the day, and travelling, when it is safe to travel again. I wish you all the very best in the days ahead.

Take care and stay safe. Colleen Woloshyn

For more information about the Club, check us out online: www.tdsummerreadingclub.ca.

We will be offering TD summer reading club logbooks and materials for students ages 0-12 at the Stony Plain Public Library for curbside pick-up so everyone can participate for free in our Summer Reading game. It is hard to believe we are already into June and another school year is almost over! Both Parent Council and Friends of SPC Society would like to invite you to our AGM.

Parent Council

Tuesday June 15, 2021, @3:45pm

This last meeting of the school year will be our AGM. We will be holding our election to form our council for the 2021/2022 school year. This meeting will be held virtually through a Google Meet. Please watch your email for an invite from Mrs. Woloshyn so you can join us for the Google meeting. We hope to see you there! These meetings are a great way to meet other parents, find out what is going on in the school and have your thoughts about our school community heard. We hope to see you there!

Friends of SPC Tuesday June 8, 2021, @4:30pm

This last meeting is our AGM and we will be wrapping up the last of our fundraisers. Our elections will be held at this meeting. This meeting will be over Google Meet, if you would like to join us please send your email address to <u>spcscchair@psd70.ab.ca</u>. An invitation will be sent for you to join us! We hope to see you!

Involvement in school groups is a meaningful, hands-on way to have a direct, positive impact on your child's educational experience. Research shows that when parents are involved in their child's education, the level of student achievement increases. Our meetings are a great way to connect with others and even make new friends! Please consider attending as our numbers are very small right now and the group is in danger of collapsing! Even though we can't meet in person this year we would still love to have you join us!

ATTENTION PARENTS!

Just a friendly reminder to be sure to send your child with a water bottle every day. As the days get warmer....the thirst becomes greater! Due to Covid regulations, students are not allowed to drink from a fountain. They are only able to refill their bottles.

Here are a couple more reminders for you as school goes into the final month:

- 1. If your child's lunch requires utencils, you must provide them.
- 2. Please check to see if your child's school supplies need to be "topped up". Make sure they have enough pencils, pens, etc. at school.
