## Principal's Message

February was a busy month full of learning and activities! We marked 2/22/22 with "Tutu Twosday", participated in Pink Shirt Day, and many classes have been utilizing our local arena to enjoy some time skating as part of their physical education programming. As we begin the month of March we wish our Senior boys and girls basketball teams all the best in their playoff games and look forward to our Performing Arts students presenting their plays!

Our school is also excited to welcome Elder Violet Poitras and Elder Phillip Campiou who will be leading our new Elder in Residence Program. We will have one of the Elders at SPC two or three times each month to bring Indigenous teachings to the curriculum students are learning. Much of the learning will occur through storytelling and questions answered by the Elders.

February Parent/Teacher interviews were well attended and our teachers are currently preparing Term 2 report cards that will be available through the Powerschool Parent Portal on Friday, March 18th. We ask that you take time to read through your child's report card as valuable information is shared about your child's progress.

We hope that you have a wonderful Spring Break with your family the week of March 21st-25th. A reminder that March 28th is a PD Day, which means no school for students, and we look forward to seeing everyone back on March 29th! We are all looking forward to Spring being just around the corner!

## Student Drop Off and Pick Up

Please remember that all student drop off and pick up is to be done in the parking lot by the bus area.

Currently many parents are using the teacher parking lot and this is very dangerous as well as a fire hazard.

# MCHS First Time Parent Video & Grade 9 Virtual Open House

Memorial Composite High School is happy to welcome area Grade 9 students and their parents/guardians to participate in our first ever Virtual Open House.

In lieu of our traditional in-person meeting for parents & guardians whose children are entering high school for the first time, we've also put together a First Time Parent Information Video.

Please visit <http://mchs.psd.ca> for all information and links.

### Virtual Open House

**Thursday March 10, 2022**

**6:30 – 8 pm**

**Get Involved. Make a Difference.**

**Parent Council**

Tuesday, March 15 @ 3:45 pm.

This meeting will be held virtually. Please watch your email for the Google Meet link to join us.

These council meetings are a great way to connect with teachers, administrators and our school board trustee about what is happening in our school throughout the year. We hope to see you there! Our meetings for the rest of the year are; April 19 and May 17 (AGM).

**Friends of SPC**

Monday, March 7 @ 3:45pm

This meeting will be held virtually, if you would like to join us please send your email address to [spc.scchair@partner.psd.ca](mailto:spc.scchair@partner.psd.ca). An invitation will be sent for you to join us! We hope to see you!

Please consider joining our fundraising committee, we are hard at work fundraising for playground equipment for the replacement school. The construction has begun on the replacement school and funds are still needed to go towards the playgrounds for our children. Your help is greatly appreciated and will go a long way. If you have any ideas to help our fundraising efforts please bring them forward to our meeting. We would love to hear everyone's ideas.

Involvement in school groups is a meaningful, hands-on way to have a direct, positive impact on your child's educational experience. Research shows that when parents are involved in their child's education, the level of student achievement increases. Our meetings are a great way to connect with others and even make new friends! Please consider attending as our numbers are very small and the more voices we have the better both the Parent Council and our Fundraising Society will be. Even though we can't meet in person at this time we would still love to have you join us!

The response to our hot lunch has been amazing and we are so happy that we are able to offer it. Thank you all for your support! With all the support we are giving an extra day a try for March.
