## Principal's Message

It was great to welcome all of our students back after Spring Break with renewed energy, ready to jump back into learning as we head into the final three months of the school year. This time of year is such valuable learning time as routines are well established and student learning continues to grow and stretch with the many lessons and activities that encourage critical thinking, collaboration and problem solving. We are also excited to see learning enhanced through field trips that take place both offsite or within the school.

Keeping up with routines, especially as the daylight stretches into the evening, is important as students need enough rest each day to have them ready for learning each day. Regular attendance and setting aside time each day to read are also key contributors to student success.

We are grateful for our parent volunteers that have been so committed to our hot lunch program and other fundraising initiatives that have taken place throughout the year and

appreciate the contributions these funds bring to our school. There are a number of volunteers needed in April and May for both hot lunch and upcoming track and field events. We would love to welcome new parent volunteers! Please email [spc.scchair@partner.psd.ca](mailto:spc.scchair@partner.psd.ca) if you would like to volunteer or have questions about these opportunities.

As always, I thank you for your continued support of your children and our school. The partnership we have with you as parents is an integral part of us reaching our goals. If at any point you would like to connect further, please phone the school at 780-963-2203 or I can be reached by email at [tanya.neuman@psd.ca](mailto:tanya.neuman@psd.ca).

We are all looking forward to the Spring season ahead!

## Get Involved. Make a Difference.

### Parent Council

Tuesday, April 19 @ 3:45 pm.

This meeting will be held virtually. Please watch your email for the Google Meet link to join us. These council meetings are a great way to connect with teachers, administrators and our school board trustee about what is happening in our school throughout the year. We hope to see you there! Our last meeting for the school year will be on May 17 and will be our AGM.

### Friends of SPC

Monday, April 11 @ 3:45pm

This meeting will be held virtually, if you would like to join us please send your email address to [spc.scchair@partner.psd.ca](mailto:spc.scchair@partner.psd.ca). An invitation will be sent for you to join us! We hope to see you! Please consider joining our fundraising committee, we are hard at work fundraising for playground equipment for the replacement school. The construction has begun on the replacement school and funds are still needed to go towards the playgrounds for our children. Your help is greatly appreciated and will go a long way. If you have any ideas to help our fundraising efforts please bring them forward to our meeting. We would love to hear everyone's ideas.

Involvement in school groups is a meaningful, hands-on way to have a direct, positive impact on your child's educational experience. Research shows that when parents are involved in their child's education, the level of student achievement increases. Our meetings are a great way to connect with others and even make new friends! Please consider attending as our numbers are very small and the more voices we have the better both the Parent Council and our Fundraising Society will be. Even though we can't meet in person at this time we would still love to have you join us!

### Hot Lunch

The response to our hot lunch has been amazing and we are so happy that we are able to offer it. Thank you all for your support!. We are desperately looking for more volunteers so that we can continue to offer hot lunch days. If you would like to help with even a day a month please email up at [spc.scchair@partner.psd.ca](mailto:spc.scchair@partner.psd.ca). We are currently running on Mondays and some Tuesdays. Volunteers are needed from about 11:20-12:45pm on those days. Ordering will be open from **April 8-20** for May's hot lunch.
