Principal's Message

It is hard to believe that we are heading into the final weeks of the school year! This year has had us all navigate many things and the month of June brings with it the return of many field trips and events that are bringing excitement and ways for students and staff to celebrate and highlight the year together. June is also a busy month for learning as teachers finish covering learning outcomes and final assessments. Let's continue to encourage students to work hard over this last month, and maintain a focus on learning alongside all of the other great things that are going on.

I would also like to take time to acknowledge and extend many thanks to our School Council and Friends of SPC groups who have continued to be so dedicated in supporting both curricular and non-curricular activities for our school community. It has been great to have parent volunteers in the school again this year, and the time and energy that our volunteers give enriches our school. We thank you for all of your contributions this year!

As we congratulate and celebrate the completion of the school year with all of our students, we especially recognize our Grade 9 students who will be moving to the next phase of their time at SPC. We look forward to highlighting their education journey through elementary and junior high during the Grade 9 Farewell. We wish them all the best as they move on to high school.

For those students and families moving on to other schools next year, we will miss you. For all of our returning students and family, we look forward to continuing to be part of your educational journey in the Fall. We wish everyone a wonderful summer break!

Get Involved. Make a Difference.

Parent Council

Thank you to all those that came out to our council meetings throughout the year. Our next meeting will take place September 20, 2022 @3:30 pm with both a virtual and in person option to attend. We hope to see you in September.

Friends of SPC

Monday, June 6 @ 3:45pm

This will be our AGM. We will be holding our elections for the 2022/2023 school year. Positions available include chair, vice chair, treasurer and secretary. We also have members at large positions available. You do not need to hold a position to attend our meetings. We will also be discussing potential fundraisers for next year. This meeting will be held virtually, if you would like to join us please send your email address to spc.scchair@partner.psd.ca. An invitation will be sent for you to join us! We hope to see you!

Please consider joining our fundraising committee, we are hard at work fundraising for playground equipment for the replacement school. The construction has begun on the replacement school and funds are still needed to go towards the playgrounds for our children. Your help is greatly appreciated and will go a long way. If you have any ideas to help our fundraising efforts please bring them forward to our meeting. We would love to hear everyone's ideas.

Involvement in school groups is a meaningful, hands-on way to have a direct, positive impact on your child's educational experience. Research shows that when parents are involved in their child's education, the level of student achievement increases. Our meetings are a great way to connect with others and even make new friends! Please consider attending as our numbers are very small and the more voices we have the better both the Parent Council and our Fundraising Society will be.

Hot Lunch

The response to our hot lunch has been amazing and we are so happy that we were able to offer it this year. Hot lunch is finished for the year and as long as we have volunteers. If you would like to volunteer for even one day a month please reach out to us at spc.scchair@partner.psd.ca.
