## Principal's Message

It was great to welcome all of our students back after Spring Break with renewed energy, ready to jump back into learning as we head into the final three months of the school year. This time of year is such valuable learning time as routines are well established and student learning continues to grow and stretch with the many lessons and activities that encourage critical thinking, collaboration and problem solving. We are also excited to see learning enhanced through field trips that take place both offsite or within the school.

Keeping up with routines, especially as the daylight stretches into the evening, is important as students need enough rest each day to have them ready for learning each day. Regular attendance and setting aside time each day to read are also key contributors to student success.

We are grateful for our parent volunteers that have been so committed to our hot lunch program and other fundraising initiatives that have taken place throughout the year and appreciate the contributions these funds bring to our school. There are a number of volunteers needed in April and May for both hot lunch and upcoming track and field events. We would love to welcome new parent volunteers! Please email [spc.scchair@partner.psd.ca](mailto:spc.scchair@partner.psd.ca) if you would like to volunteer or have questions about these opportunities.

As always, I thank you for your continued support of your children and our school. The partnership we have with you as parents is an integral part of us reaching our goals. If at any point you would like to connect further, please phone the school at 780-963-2203 or I can be reached by email at [tanya.neuman@psd.ca](mailto:tanya.neuman@psd.ca). We are all looking forward to the Spring season ahead!
