## Principal's Message

Happy New Year and welcome to 2025!

As we reflect on the end of 2024, we are filled with gratitude for the special themed events and activities that brought our school community together. These moments truly create lasting memories! A heartfelt thank you goes out to our amazing Student Leadership team for their energy and dedication in making these events such a success.

The start of a new year is a wonderful time to reflect on our accomplishments, celebrate successes, and set new goals for the future. At Westview, our staff remains committed to supporting students in achieving their learning goals and celebrating their progress along the way.

Looking ahead, our first report card of the year will be issued at the end of January through the Parent Portal in PowerSchool. Please note that in the weeks leading up to this, access to grades in PowerSchool will be temporarily interrupted. The [Powerschool App](#) is a great place to keep up to date with your child's academic progress.

We are excited to see the many achievements and milestones our students will reach in the months ahead. Thank you for being such an integral part of our community. Your continued support and partnership enable us to create a thriving learning environment for all.

On behalf of the entire staff at Westview, I wish you and your family a wonderful 2025!

Warm regards,  
Tanya Neuman

Student leadership is a group of students who work together to make a positive difference in their school community. They take on responsibilities like planning spirit days, creating posters, and organizing events or initiatives, such as participating in the Kinsmen Hamper. By meeting regularly, student leaders develop teamwork, creativity, and problem-solving skills while helping to create a fun, inclusive, and supportive environment for everyone at the school. Here are some of our December Student Leadership Initiatives:
