Principal's Message

Welcome to May! We love the warmer weather that May is bound to bring as it is a perfect fit for track and field season. Track and Field is such an amazing opportunity for Westview students as we host both our own Grade 4-6 and 7-9 Track Meets. Our school site and fields to the east of us will be a hub of activity throughout the month as we are the hosting site for all zone track events in PSD for Grades 7-9 and 4-6.

We have so appreciated the support of many volunteers this year that have supported our hot lunch program, fundraisers and field trips. You enrich our school and thank you in advance for your involvement and support of our track and field concessions and the many field trips that will take place in the coming weeks. Our Fundraising Society will host concessions for many track days and there is always room for more volunteers. If you are able to lend a hand, please sign-up for a shift or two please email westview.scchair@partner.psd.ca.

May is also a rich month for learning as students continue to build upon the skills they have been developing throughout the year. There is still a lot of important learning in these final weeks of school and we thank you for continuing to provide structure and routine to help students be rested and ready for learning each day. These final weeks of school always seem to go by so quickly!

Please continue to reach out to your child's teacher or contact the office if you need any questions answered or any kind of support. We are here to help. Enjoy the month of May and the beauty that comes with this time of year!
